

How do I get to the FeelGood Apartments?

How do I get from the location GreenLiving in the Anna-Bastel-Gasse 3 to the location Smart-Living in the Beatrix-Kempf-Gasse 1?

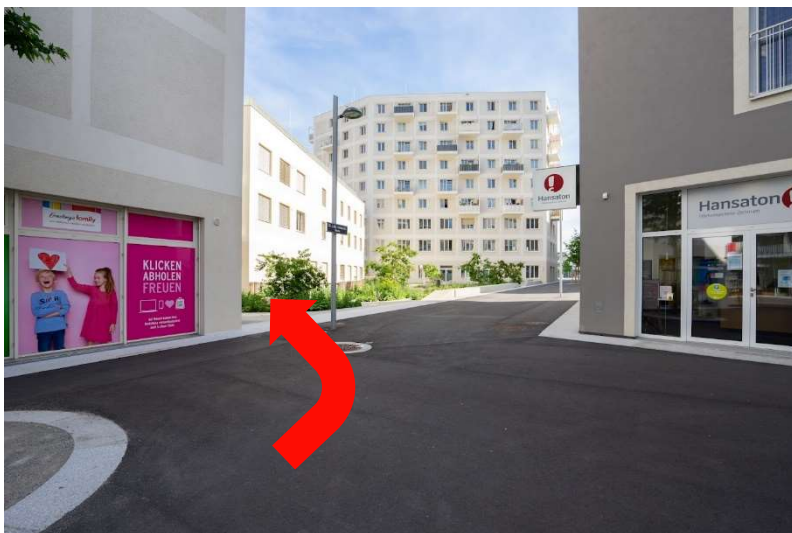

When you leave the building, turn right and go straight ahead towards the grey building.

Once you reached the grey building, turn left...

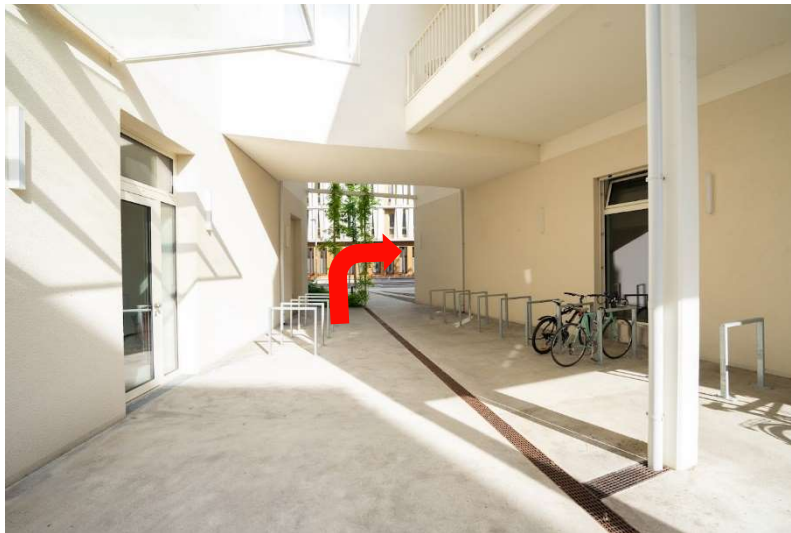

...and then immediately turn right.

And then immediately turn left...

...and walk through the buildings,...

...turn right in the end...

...and then you are already in front of the entrance of our location SmartLiving.
