

How do I get to the FeelGood Apartments?

How do I get from the location SmartLiving in the Beatrix-Kempf-Gasse 1 to the parking garage in the Sonnenallee 26?

When you leave the building, turn right,...

...go straight ahead passing the veterinarian...

...until you reach this corner,
where you turn right and...

...pass by our
reception...

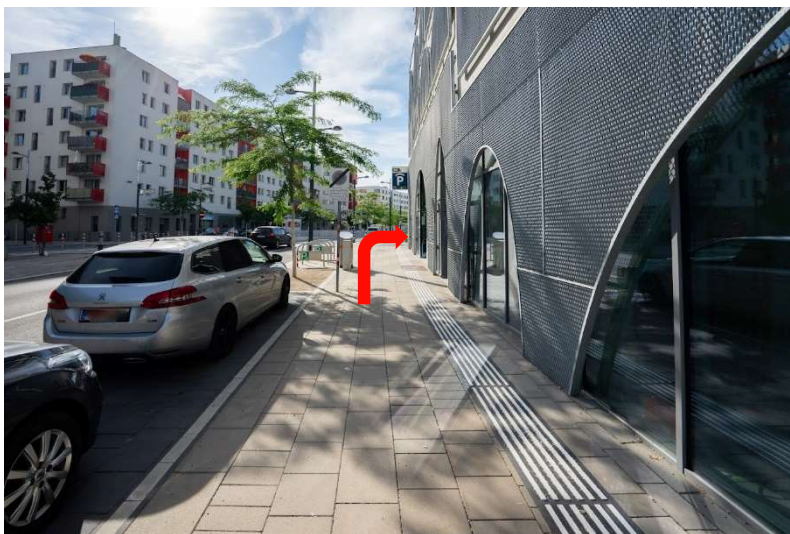

...until you turn left...

...and then right.

Afterwards you go straight ahead...

...until the sign of the parking garage, where you turn right.

And then you have already
reached the parking garage.
