

How do I get to the FeelGood Apartments?

How do I get from the underground station U2 Seestadt to the reception of the FeelGood Apartments at Maria-Trapp-Platz 1?

Ideally, you board the underground in driving direction at the very front. Once you have gotten out, you take the stairs or the elevator down, leave the station and turn right.

Walk through the buildings...

...passing the shop Neuroth...

In front of the restaurant “Ping Pong“ you turn left into the Beatrix-Kempf-Gasse.

Then you go straight ahead passing the veterinarian until...

...you reach the end of this building. There you turn right and...

...are already standing in front of our reception.
